DATE	May 4, 2026	AREA ASSIGNMENT	ITLMA Office
TASK	Discussion about Plant Organization, Mission, Vision, and Strategies	SHIFT/ TIME	8:00am-5:00pm

Today's orientation at AUMOVIO Autonomous Mobility Philippines Inc. offered a deep dive into the company's operational structure, specifically highlighting how the plant and various departments are organized to support cutting-edge innovation. It was enlightening to see the synergy between different units and how they collectively work toward the company's ambitious mission and vision in the autonomous mobility sector. The leadership team also shared the core strategies that will guide our growth, emphasizing a commitment to safety, efficiency, and technological leadership in the Philippines. Gaining this high-level perspective has provided me with a clear sense of direction and a better understanding of how my role fits into the broader goal of transforming the future of transportation.

DATE	May 5, 2026	AREA ASSIGNMENT	ITLMA Office
TASK	Laptop Setup and Internal File Transfer Configuration	SHIFT/ TIME	8:00am-5:00pm

Today's training at AUMOVIO Autonomous Mobility Philippines Inc. focused on the essential steps for setting up our laptops and managing file transfers. We learned how to organize our digital workspace and the correct ways to move files safely within the system to keep everything secure and easy to find. It was a practical session that helped me understand the company's specific methods for handling data and hardware. Knowing how to do this properly makes me feel much more prepared to handle my daily tasks and keeps my work organized from the start.

DATE	May 6, 2026	AREA ASSIGNMENT	ITLMA Office
TASK	Laptop Reformatting and System Image Configuration	SHIFT/ TIME	8:00am-5:00pm

Today at AUMOVIO Autonomous Mobility Philippines Inc., I was trained on the technical process of reformatting a laptop using a portable USB. The training covered everything from accessing the boot menu and entering the system password to nuking partitions for a clean installation. I learned how to properly set up Windows 11 by selecting the correct image and following a specific naming schema for the hostname based on the device type and department. We also made sure to include necessary software like SAP, Adobe, and 7-Zip during the modification stage. This task was very important because it taught me how to prepare a workstation correctly while following the company's official hardware and software standards.

DATE	May 7, 2026	AREA ASSIGNMENT	ITLMA Office
TASK	IT Technical Support and Laptop Troubleshooting	SHIFT/ TIME	8:00am-5:00pm

Today at AUMOVIO Autonomous Mobility Philippines Inc., we were trained on how to help employees troubleshoot their laptops whenever they encounter technical issues. We learned how to identify common problems and provide the right solutions to get their workstations back up and running quickly. It was a great experience because it taught me how to communicate better with coworkers and stay patient while solving different software or hardware bugs. This training is really important because it ensures that everyone in the company can stay productive without being held up by technical difficulties.

DATE	May 8, 2026	AREA ASSIGNMENT	ITLMA Office
TASK	SD Card Data Migration and File Organization	SHIFT/ TIME	8:00am-5:00pm

Today at AUMOVIO Autonomous Mobility Philippines Inc., we were trained on how to assist employees with transferring their files from SD cards into new, organized folders on their laptops. We learned the proper way to handle the external storage and ensure that all data is moved safely without losing any important information. It was a simple but essential task that helped me understand how to keep files tidy and accessible for others. This training was a good reminder of how important it is to be helpful and organized so that our team can find the data they need to keep their work moving forward.
