

DAILY JOURNAL

IMPORTANT INFORMATION

- ☐ INCLUDE TASK ASSIGNMENTS OR MOVEMENTS, REFLECTION ON THE DAY'S NEW LEARNING, ACCOMPLISHMENT, CHALLENGES FACED AND HOW YOU RESPONDED, OBSERVATIONS AND RECOMMENDATIONS ON THE IMPROVEMENT OF SYSTEMS / OPERATION / MANAGEMENT, ETC.
- ☐ SCANNED COPIES OF THIS FORM SHALL BE SUBMITTED ON A WEEKLY BASIS THROUGH APPROVED LMS.
- ☐ HARD COPIES OF THIS FORM SHOULD BE COMPILED AS PART OF THE STUDENT'S PORTFOLIO.

DATE	May 25, 2026	AREA ASSIGNMENT	ITLMA Office
TASK	IT Asset Issuance, Admin Migration, and Service Desk Management	SHIFT/ TIME	8:00am-6:00pm

Today at AUMOVIO Autonomous Mobility Philippines Inc., we were trained on managing asset distribution, admin data migration, and general employee support. We learned how to securely transfer files to our admin account, address technical concerns from employees, and formally issue the laptops they needed to borrow. Additionally, we handled printer toner requests, ensuring the supplies were handed over correctly and immediately updating the status to "deployed" on our website tracking system once the employee received them. This session was highly beneficial because it showed me how crucial accurate inventory updating and secure data management are to keeping the company's daily IT operations organized and efficient.

DATE	May 26, 2026	AREA ASSIGNMENT	ITLMA Office
TASK	Remote Endpoint Maintenance, Data Migration, and Employee Helpdesk Support	SHIFT/ TIME	8:00am-6:00pm

Today at AUMOVIO Autonomous Mobility Philippines Inc., we were trained on advanced user support tasks, focusing on admin data migration and remote system optimization. We practiced migrating files securely to our admin account and addressing incoming employee concerns. Additionally, we learned how to remotely access employees' PCs to perform disk cleanups, successfully clearing up to 64GB of unnecessary data to free up vital storage space on their machines. This training was incredibly valuable because it taught me how to efficiently maintain device performance from a distance, ensuring our remote team members can work smoothly without storage or system slowdowns.

DATE	May 27, 2026	AREA ASSIGNMENT	ITLMA Office
TASK	Remote System Optimization, Admin Migration, and Technical User Support	SHIFT/ TIME	8:00am-6:00pm

Today's training at AUMOVIO Autonomous Mobility Philippines Inc. focused on remote endpoint management, secure data migration, and general employee assistance. We learned the proper procedures for securely transferring critical files over to our admin account and handling various technical support requests from our colleagues. A major highlight of the session was learning how to establish remote connections to employees' computers to perform deep disk cleanups, where we successfully cleared out up to 64GB of storage space to optimize system performance. This experience was incredibly practical, showing me how to efficiently maintain device health from afar while ensuring our team's data remains organized and secure.

DATE	May 28, 2026	AREA ASSIGNMENT	ITLMA Office
TASK	Full-Cycle IT Support: Workstation Provisioning, Asset Management, and User Technical Assistance	SHIFT/ TIME	8:00am-6:00pm

Today at AUMOVIO Autonomous Mobility Philippines Inc., we underwent training that covered a wide range of essential IT support operations, from hardware setup to active asset management. We learned the exact procedures for setting up and reformatting employee laptops, migrating user files securely into our admin account, and addressing various technical concerns from staff members who reached out for assistance. Additionally, we were trained on handling printer toner requests, which included distributing the supplies to employees and immediately updating their status to "Deployed" on our tracking website. This training was incredibly comprehensive, giving me a solid understanding of how technical maintenance, data protection, and real-time inventory tracking all connect to keep the company's daily operations running smoothly.
